(Please submit the latest audited balance sheet along with this application)

- Category: Die & mould for metallic products: Sheet metal, press tools, die castings, forgings
- Die & mould for non metallic products: Plastics, rubber, glass & ceramics
- Gauges, jigs & fixtures
- Related services: CAD/CAM, analysis, simulation, texturising, heat treatment, polishing & plating
- Standard components: Mould bases, die sets, die & mould parts, hot runner systems
- Suppliers to tooling industry: Machines, equipments, raw materials, cutting tools CAD/CAM system, services, consumables & spares
